

**Miva Synchro v1.1**  
**Release Note**  
Revision 1.0

## **Miva Synchro Version 1.10**

### **Changes:**

1. Miva Synchro will no longer update the Purchase Description for Inventory Items.
2. Fixed a bug that caused product and customer synchronization conflicts when synchronizing multiple Miva Merchant storefronts with a single QuickBooks company file.
3. Miva Synchro now handles &apos; HTML entities correctly.
